Dates to Remember

- | | |
|--------|---|
| May 1 | Board Meeting @ 7 |
| May 4 | ALCA Fundraiser
@ Los Patios
ALL DAY LONG! |
| May 26 | Last Day of School |

A Note from Sis. Coffey..

Please remember to turn in 2017-2018 school year packets!

This week was a good & busy week. I would like to thank everyone who came in and helped ALCA on Thursday while I was out helping my family clean up our greenhouse that was struck by a tornado in Wednesday's storms.

Thank you!

Larissa
Preston
Logan M.
Kaleb

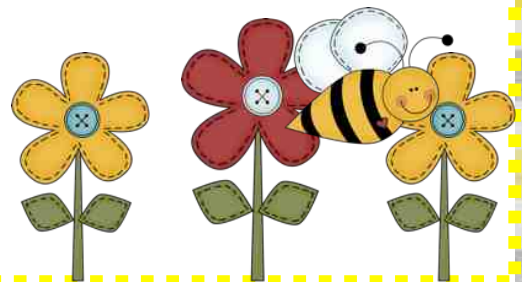

We love our helpers at
ALCA!

1st Grade

- In Bible, we had a review of all Bible verses learned in 1st grade! We continued reading about animals of the Great Outdoors in Reading class. In Math, we had drills of the 1-13 families. In Health class, we had lessons about getting proper sleep and rest. We also learned how to help out at home with cleaning! In Art, we cut out a picture of shoes to remember how we should walk with Jesus ☺

3rd Grade

- In Bible, we are learning the last 2 verses of Hebrews 11. We are reading Pilgrim's Progress in Reading class. We are learning what adjectives are in Language class and in Math, we continue multiplication of double factors, fraction reduction, conversion, and division.
- We learned about Billy Sunday in History class.
- Lastly, in Art, we made an aquarium picture from a foam plate!

English 7-11

We reviewed sentence structure to prepare for Test 11. The test will be over simple, compound, complex and compound and complex sentences.

Math

7th: We are learning the "Four Rules of Operational Order" for Advancing in Algebra.

8th: We are studying "Going Further in Algebra by Dividing Polynomials by Monomials".

9th: We are studying "Direct Variation" and reviewing rational expressions and equations.

10th: We are learning about "Trigonometry Functions of Special Angles".

11th: We are learning how to inscribe a square and regular octagon in a circle. We are also reviewing triangle relationship.

Science

7th: We are reviewing forestry and preparing for Test 11. Students should be working on their Insect Project!

8th: We are reviewing the names of satellite and orbital paths for our Test 11 on Monday, 5/1!

9th: We are learning about "Other Applications of Semiconductors".

10th: We reviewed over Chapters 21 & 22 which is about cell movement to prepare for Test 11.

11th: We are learning about "Hydrocarbons".

History

7th: We are reviewing "Modern Culture/Toward a New Millenium".

8th: We are studying "Reagan's Foreign Policy".

10th: We are learning about Vietnam.

11th: We are studying "Standing Up to Communism & Terrorism".

We continue learning about kingdom praying in Bible class.

We did not have Art or Music this week. It will resume next week.

Parents: Thank you to those who have already returned their student packets for next year! If you have not received your packet, please see me and I will get it to you! Thanks! ~ Jennie Adams
