## Dates to Remember

Sept 11 Board Meeting @ 7  
Sept 14 Open House @ 7

## A Note from Sis. Coffey..

We have had a good week!  
Parents: If you have not downloaded BAND, please do so. If I have not sent you a link, please let me know. Have a great weekend!

## Thank You 😊

*Special Thank You to:*

Sis. Julie Morphew – for the USA Map Puzzle

*And*

Bro. & Sis. Hufstetler – for the additional microwave for our school lunchroom!

Also thank you to our student helpers who help with cleaning, etc as needed!

## 2<sup>nd</sup> Grade

- We are studying the birth of Moses in Bible class this week and in Phonics class, we are studying special sounds. We also are learning how to recognize syllables, vowels, and the rules for words that begin with K or C.
- In Math, we continue working on addition and subtraction problems, learning how to recognize the placement of numbers, and we are also studying odd and even numbers.
- We continue to have a weekly list of Spelling words and a weekly test!
- We drew a rocket in Art class this week!

## 4th Grade

- We are reading about the Resurrection story, along with the story of Mary & Martha, in Bible class.
- In Math, we have learned a shortcut for multiplication.
- In Reading, we have had surprise quizzes and we are currently reading Salute to Courage. We also are reading Song of the Brook for a book report!
- We have started creative writing in Language class and in Science, we have been studying insects, birds and flowers.
- Lastly, in Art, we made a calendar for September using colored pencils!

## Science

8<sup>th</sup>: We have been learning about different types of Science projects and volcanoes.

9<sup>th</sup>: We are studying "Gas Laws" and the Kinetic theory.

10<sup>th</sup>: We are learning about Vegetative Reproduction & Special Stems.

11<sup>th</sup>: We have been reviewing Chapters 1 & 2 for our Test #1.

**All students should be thinking about a topic for their Science Project!**

## History

8<sup>th</sup>: We are learning about Pilgrims and the New World.

9<sup>th</sup>: We are studying Pakistan and Bangladesh.

10<sup>th</sup>: We are learning about Egypt through the ages.

11<sup>th</sup>: We have been studying the French & Indian War.

## English

All Grades: We have been reviewing commas and the different types of paragraphs.

- All students should be reading a novel every night for a book report!

## Math

8<sup>th</sup>: We are learning about Ratios.

9<sup>th</sup>: We are studying Linear Equations in one variable.

10<sup>th</sup>: We are learning about Equations & Inequalities.

11<sup>th</sup>: We are studying pyramids.

## Specials

Art – Students did a "ME" painting and learned about tempera painting.

Music – Students had their first class today and are working on short song compositions! Students also filled out an "about me" questionnaire that will be displayed in the classroom 😊

Bible – Sis. Coffey taught devotions this week about using the gifts God has given us.

**Congratulations to Pastor and Sis. Michelle on their baby boy!**
