Dates to Remember

Nov 6 Board Meeting @ 7
Nov 10 November Tuition Due
Nov 20-24 Thanksgiving Break

A Note from Sis. Coffey...

Temperatures are dropping, so our classrooms aren't always the warmest. Please make sure your child is dressed warm or please have them bring in a sweater to keep at school. We had a great week of learning! Have a good weekend. God bless!

Science Projects are Due *February 22.*

All Boards and Papers are due on this day. All students have a Science Project book to help them. It explains everything that is expected!

2nd Grade

- In Bible, we learned the story of Moses and the Israelites wandering in the desert. In Language, we are writing dictated sentences. We are adding three digit problems in Math and in Reading we are reading a story called Our Flag. In Science, we are learning the parts of a flower and in Art; we traced and cut out an ostrich and an elephant!

4th Grade

- We learned the story of Joseph and his brothers coming to Egypt in Bible class. We are factoring numbers to find the greatest common denominator in Math class and in Spelling; we continue to have our weekly lists of words to spell. We are reading The First Printer in Reading class and in Language, we are learning how to use the encyclopedia. We learned how the American colonies fought for independence in History class and in Science; we are studying different types of clouds. In Poetry, we are continuing to learn the poem called "Hiawatha".

English 8-12

We reviewed verbs and their uses for Test #4!
