Dates to Remember

Feb 5 Board Meeting – 7 pm
Feb 19 Snow Make-Up Day!

A Note from Sis.Coffey...

I am praying everyone is staying warm and healthy. We have been busy working and getting adjusted to our new semester schedules.

Parents: Your child should be busy working on Science projects! They also should be reading a book (for English) every evening at home. Hope everyone has a great weekend!
God bless!

2nd Grade

- In Bible, we are learning Psalms 24 and the story of Deborah.
- In Phonics, we are learning how to use grammar properly and we continue writing dictated sentences.
- We are reading Sunshine Meadows: Lee and Traveller. This is the story of General Lee and his horse!
- In History, we are learning about the pilgrims and their journey from England to Holland.
- In Math, we are learning Roman Numerals 13-30 and we are also studying multiplication.
- Lastly, in Art, we made a penguin from a cutout assembly.

4th Grade

- We are learning new scriptures Matt. 6:19-24 and Matt. 7:24-29.
- In History, we are studying the important dates in early Indiana history.
- We are learning about soil and the earth's layers in Science class.
- We are reading Waukewa's Eagle in Reading class and in Math, we are learning how to borrow with an uncommon denominator.
- Lastly, in Art, we created a picture with different shapes!

Students continued their story of the Anointing in Bible class this week.

Notes from the Office

Papers regarding paid tuition and fees have been prepared and are in the office to show what monies have been paid to ALCA for the year of 2017. Some parents ask for this information for tax purposes. If I have not seen you already, please see me at church Sunday to receive yours!

Thank you, have a blessed weekend!
