### Specials

**Bible:** This week in bible we have been going over the history of Israel and specifically the Passover. In a couple weeks we are going to be having a Passover meal that we are preparing and we are hoping every parent will come and enjoy in this memorable and spiritual moment with your students. We are excited about it and believe that your students have some powerful and allegorical points to share with each of you about the Passover.

**Art:** Students worked on using their color wheel to create an advertisement board for their favorite candy.

**Music:** Students presented their composer projects and we also played name that tune!
