## A Note from Sis. Coffey..

We had a great week!

Students: Please continue to sell your tickets for the Fish Fry! We have less than 2 weeks until it is here!

All upper grades reviewed and had Iowa testing this week. The tests were mailed back to Abeka today. Test results should be arriving within the next few weeks!

## 2<sup>nd</sup> Grade

- In Bible, we have been studying the story of when Jesus dined with his disciples after the crucifixion. In Math, we are adding and subtracting to the 18 families. We are working on multiplication and division tables up to 5. We are learning good manners in Health, and in Reading, we are reading the Noises in the Attic. Lastly, in Art, we drew a picture of a barn and farmyard with animals.

## 4<sup>th</sup> Grade

- In Bible, we are learning about Paul's first missionary journey. In Math we are learning how to recognize and draw geometric shapes and figures. We are recognizing parts of sentences in Language class and in History, we learned about WWII. We are still reading Adventures in Other Lands in Reading class, and in Health, we learned the parts of the skin and their functions. Lastly, in Art, we drew a picture using complementary colors.
