April 27, 2018

## Dates to Remember

5/3 – ALCA Fish Fry  
4:30-7:00 PM

5/21-5/25 - Competition

## A Note from Sis Coffey...

Parents: This week we will be reviewing over everything we have learned this year! Your child/children will have homework every night to study and prepare for final exams. Please encourage your child to study! I pray everyone has a great weekend!

### FISH & CHICKEN FRY

Thurs. May 3<sup>rd</sup> !

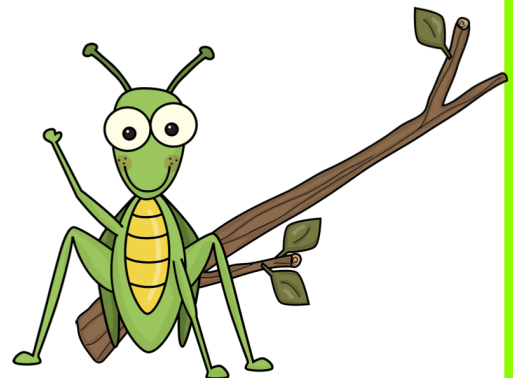

Sis. Coffey will need volunteers to help serve. She will be having a meeting Sunday afternoon.

## 2<sup>nd</sup> Grade

- We learned the story of how Naman was healed this week in Bible class. We are counting money, multiplying, and dividing in Math class. We are reading Good Morning, Gorillas in Reading class and in Poetry, we are reviewing all poems we have read this year. In Writing class, we wrote a story of "What I Want to be When I Grow Up". In Health, we continue learning how to be courteous and have good manners.

## 4<sup>th</sup> Grade

- We learned the story of the Phillipian Jailer in Bible class this week. In Math, we are finding perimeter and area. We are reading Trails to Explore in Reading class and we finished our oral book report for Language class! We are studying the era of Pres. Dwight D. Eisenhower to Pres. Gerald Ford in History class. Lastly, in Health, we are learning how sun exposure can harm our skin.

## English 8-12

We reviewed prepositions, conjunctions and interjections. We also took Test 11.

## Science

8: We reviewed the Satellite and Orbit Paths. We also took Test 11.

9: We are learning about the Vacuum Tube Diode.

10: We are studying Classical Genetics.

11: We are learning about hydrocarbons.

## History

8: We learned about Foreign Policy.

10: We reviewed Perestroika and Glasnost and took Test 11.

11: We reviewed over the Carter Administration and took Test 11.

## Math

8: We reviewed volume and surface area and took Test 11.

9: We reviewed rational expressions and equations. We also took Test 11.

10: We reviewed probability of a single event and took Test 11.

11: We reviewed polygons and took Test 11.

## Specials

**Music – We began working on our song “Do It Again” for our end of year program.**

**Bible – We are learning the history of Israel.**
